Description and details of goods	Tariff No. (5)	Stat No.	Country of Destination	Quantity or Weight	Export Value K

NOTES

1. This form is to be used for -
 - (a) postal exportations where an export licence is required or where the value exceeds K20;
 - (b) trade exportations by air freight or by rail where the value does **not** exceed K100;
 - (c) non-trade exportations, other than by post, of whatever value;
but is not required for accompanied baggage
2. If the goods are to be re-imported after repair, exhibition, use abroad etc. they should be taken for examination by a customs or post office official and a third copy of the form prepared. In these cases serial numbers and full identification details must be shown on the form. After the goods have been identified the extra copy of the form will be endorsed and returned to the owner for use at re-importation.
3. Please put an X in the appropriate boxes
4. Export licences are required for various goods such as unmanufactured game trophies, currencies, gold and valuables, dangerous drugs. An Exchange Control form C.D.I. is required for all consignments of a value exceeding K100. The relative export licence and/or C.D.I. form should be attached.
5. For trade goods the Tariff/Statistical numbers must always be inserted. For other goods they should be inserted if known.

The goods are liable to be examined by the Customs before exportation

The owners of effects which are to be exported either as freight or in a luggage van are advised to have the consignment cleared by Customs **before** handing the goods over to the carrier

THIS FORM WHEN COMPLETED IS TO BE HANDED TO THE POST OFFICE OR CARRIER, WITH THE GOODS CONCERNED
